Re: United States v. Donziger, No. 19-cr-561 (LAP)

Dear Judge Preska:

I write in compliance (though a few minutes tardy. Sorry!) with this Court's Order of April 29, 2021. The defense has no present intention of examining any witness other than in-person. Following the conclusion of the prosecution case, the defense may make certain decisions that could result in the need for remote testimony. We are mindful of the Court's desire to avoid technological problems mid-trial, and will keep the Court and the prosecution apprised if there are changes in our intentions.

Sincerely,

Ronald L. Kuby
